

No Turn

Coaching Points (no turn, safe return pass, keeping the ball)

Objective: to keep possession (return pass) with low risk

1. Player moving to space (rectangle) to support player with ball
2. Player has turned his head to check where are defender-s (pressure).
3. Defender closing in (near) from behind (pressure)
4. Return pass to a player in a better situation (same player or different one)

Note: Player with ball head up sees passing lane between 2 defender in front

No Turn (2)

Coaching Points (no turn, safe return pass, keeping the ball)

Objective: to keep possession (return pass) with low risk

1. Player check where are defenders (pressure).
2. Defender closing in (near) from the side
3. Return pass to a player in a better situation (same player or different one)

Note: Pressure can come from side or from back. As return pass is the safest way to keep possession of the ball
